

## AMADA ORII AMERICA INC.

### Sales Partnership Announcement

September 25, 2019

AMADA ORII AMERICA INC. would like to announce AJACS DIE SALES of Grand Rapids, MI. as our trusted, factory trained sales partner for Western Michigan, Northern Indiana, Northern Illinois, and Wisconsin.

AJACS was founded by Jack Wierenga and has been family owned and operated since 1968. They are now in their third generation of family ownership with Steve Wierenga serving as President. Steve is supported by Mark Wierenga and Scott Wierenga rounding out the leadership team. AJACS has grown over the years and currently serves over 1,500 customers across 33 states in more than 15 different countries. Their 18,300 sq. ft. facility can be found at 4625 Clay Ave SW, Grand Rapids, Michigan.

AJACS core business is die tooling and component solutions. They expanded into capital equipment sales in 2017 and recently named Mike Worst as their capital equipment expert. Mike is a great resource and is always willing to go that extra mile to assist the end user in selecting the correct solution for their capital equipment needs.

AMADA ORII AMERICA is excited about this opportunity to partner with such a great organization as AJACS. We are looking forward to many years of sales support with the AJACS team.
